## Giving **BACK** TO THE Future

Presenting Sponsor, Directors Mortgage \$10,000

### Like, what is Procurement?

Donated items are fundamental to our ability to raise money on Auction Night! The Procurement part of the Auction team follows up on great leads and local connections, organizes the parameters of a donated item, and then packages the items up for the live or silent auction.

While we love it when you donate a vacation home or seats to a sporting event, don't think that we can't work with other ideas, too. The Auction team can also take an item and package it up in a creative way with other donations. Great ideas include kids' camps and parties, restaurant gift cards, workout passes, winery visits, and more!

Don't forget: if there is a restaurant, winery, or workout spot that you frequent or belong to, they are likely to support their members with a donation. Email ideas big & small to Auction Chair Michele Brown at [brown.michele@comcast.net](mailto:brown.michele@comcast.net).

And Auction "Rookies," we are always looking for volunteers and fresh new ideas for auction packages. From hosting a Buy-In Party to leading your child's Class Project, there are many opportunities available. Reach out to Michele Brown to find out how you can help!

### Oh, you want to dance with somebody?

Then, Dads and daughters should sign up now for the Father-Daughter Dance! It's coming up soon – October 19th. Contact Rachel Cole at [rachelcorrinecampana@yahoo.com](mailto:rachelcorrinecampana@yahoo.com) to secure your ticket.

### Earn Disney tickets for the Auction

While there's no "I" in teamwork, there are Disneyland tickets!! Disney is offering a new program for non-profits to earn day passes to the theme park – and the OLL Auction wants in on the action. By showcasing our Fall Carnival as a service project for St. Vincent DePaul, we qualified! All we need are 20 parent/student pairs to register with Carol Albers as volunteers for the Fall Carnival, and the Auction will earn up to 20 day passes to make a great live auction package. Contact Carol Albers at [caa\\_albers@yahoo.com](mailto:caa_albers@yahoo.com) to sign up as a parent/kid volunteer unit.

### Giving Back to the Future

Sponsors and underwriters are key to reaching our Auction fundraising goals – so a big thanks to the numerous families and businesses who have already stepped up and offered their support!

### Get your chips ready!

A big shout-out to the Kindergarten, 3rd, and 6th grade families who have already planned their classes' Poker Parties! The Auction goal is to have a poker party in each class and raise \$9,000. Every party has 10 poker players with \$100 buy-in per player. Looking for a few fundraising hours? It's not hard to host and typically a very fun evening with the parents in your class. To volunteer, contact Annie Platt at [aplatt@dadco.com](mailto:aplatt@dadco.com) today and get your date on the calendar! Note that all of the parties need to take place before Auction night.

Join us for our next Auction Team meeting –  
Tuesday, November 13th, after drop-off.
